

Clothes as an "asset"

YOU'LL do business better, and you'll do a better business if you dress as if you expected it. It's quite easy to see that a good looking suit of clothes may have a business value far beyond the price you pay for it.

**Hart Schaffner & Marx, and

LIVINGSTON

Died, April 24th, Mrs. Sophia Helard, wife of Mr. S. E. Helard, of this place. She had been quite feeble for some time and at last her mind became unbalanced and as a last resort, she was taken to Lexington where she died the 24th. Her husband and friends went there and brought the remains back to her home and she was laid to rest in the family burying ground the 25th. She was 50 years old and had been a member of the Baptist church for years. Besides her husband she leaves 4 children, one girl, Miss Lucinda, three boys, Ben, George and Sam and a host of relatives and friends to mourn her loss.—Mrs. W. R. Ward and son, Glen, of Ravenra, have been visiting relatives here the past week.—Mrs. C. E. Rice, of Corbin, is visiting relatives here and at Brodhead this week.—Mrs. W. M. Brady left to day to visit her mother, Mrs. W. R. Ward, at Ravenra.—Mr. and Mrs. Daniel Ponder, of Brush Creek, are visiting Mrs. Ponder's parents, Mr. and Mrs. Mahlon Summers.—Uncle Allen Mounts is slowly improving.—Quite a number of our citizens turned out last Saturday to witness the ball game between the Scout Team of Mt. Vernon and some of our youngsters. The visitors in spite of their very evident lack of practice put up a much better game than the score of fifty-three to twenty-eight in favor of the home team would indicate and upheld the honor of the Scout organization by manly way in which they accepted defeat. This was the first game of the season for either team. The next will be played on the Mt. Vernon diamond Saturday, May 2nd. Niceley's good work behind the bat, young Ballard's heroic efforts on the mound and Mullins' home run go to the credit of the visitors, while Quinn's remarkable catch in left field, Hilton's base running and clever work of Brady, Livingston's sensational kid pitcher were the outstanding features of the work of the home team. All of the boys did excellent work and we feel safe in saying that Livingston has three or four youngsters that will come up to anything of their size on any ball diamond in this end of the State.—Mrs. G. S. Griffin and children, were visiting relatives at Mt. Vernon Thursday and Friday.—Sometimes the darkest morning turns out to be the prettiest day and sometimes the finest prospects are easily blotted. So with the fruit crop in this locality. A week ago we had the finest prospect of a large crop of almost all kinds of fruit but to day we haven't any.—Mr. and Mrs. E. B. Owens and family motored to the Sayers neighborhood Sunday and returned before night after leaving home at 1 p. m.—That is what we call going some.—Miss Laura Hiatt, of Mt. Vernon, has returned home after a few days visit with Miss Jaleff Griffin.—There was to be a meeting in Mt. Vernon last Saturday of the Level Greeners, to perfect arrangements for the reunion at Level Green. We are very sorry that we could not be there, but our better half was quite sick and we could not attend. We hope there was a good crowd and trust the necessary arrangements were made for a great day at that place. We have had to do part of the cooking and the results is better imagined than described, for one half the men will not eat their own cooking and as for me I can't boil water without scorching it. We are glad to say the Madam is better now and the grub business is O. K.—We understand that J. P. E. Drummond has purchased a home in Ashville, N. C., and will close out his business here and make his future home in that city.—John N. Clark has sold his property here to S. A. Humble, Cashier of the First State Bank and will move to Ashville, N. C.—The pump house here burned down Saturday

day and it leaves G. D. Cook without a pump house, but one will be erected in the near future. Mr. Cook has been pumping here for the last 40 years.—The small-pox situation in this locality is improving, only a few cases at present.

Morris and Stephen Proctor, of Quail, who have just returned from overseas, have been visiting J. B. Hayes this week.—J. T. Omary, L. & N. Engineer, who has been one of our citizens for several years, has a position in Louisville and will move his family there in a few days. We dislike to give them up but our loss will be others' gain.—C. H. and C. J. Rice were in Mt. Vernon Monday.—Mrs. C. L. Hughes is in Cincinnati with relatives.—J. J. Lawrence, operator at Mt. Vernon, was on 22 Saturday en route to Corbin. Jack, as he is familiarly known, informed us that there were several in Mt. Vernon when he left the city in interest of the reunion. Jack is one of the many who received their education at old Level Green and under the tutelage of that great educator, J. N. Brown.—Mrs. J. H. Walton has returned from Paris after a few days visit with her daughter, Mrs. J. W. Mann. We are informed that a party last Sunday driving along the public highway in an auto came upon a "pharisee" trudging along at a very slow gait, about a mile north of Pine Hill. He informed the driver that he was lost and in a strange country and asked the driver to help him out. The driver bade him enter the car and he drove him into his own country near Quail. We will not give any name but if "Singing Bill" Owens sees this he will think we mean him.

S. R. Pennington, of London, was here last Sunday.—H. D. Magee, of Corbin, passed here Monday en route to Crab Orchard.—Mrs. W. S. Singleton has returned from Paris where she had been visiting her sister, Mrs. L. M. Oliver.—Mrs. J. B. Hayes is spending a few days at Winchester with her daughter, Mrs. Edd Quinn.—Mrs. George Smiths has returned from Corbin after a few days visit with relatives.—Mrs. Rosanna Graves, who has been quite sick for some time, is slowly improving.—Revenue officers made a raid Tuesday in the vicinity of Hazel Patch and captured a moonshine still and took it to London.—They also arrested a woman and took her to London. The man who was running the still got away.

BRODHEAD

P. E. Shivel was recently visiting his son, Ezra Shivel at White Wood, Ky.—Mrs. J. R. Cass, and daughters, Mesdames J. M. Roberts and Bronston Elder and son, Robert Cass, were in Danville shopping recently.—Mrs. Walter Smith returned to her home in Winchester last week after spending a few days with her parents, Mr. and Mrs. J. M. Owens.—Mrs. P. A. Shelton, and sons, Leonard and Reece Shelton, were in Boston and Louisville recently.—Since our last letter the Rev. T. C. Duke closed a 10 days meeting at the Baptist church here with 24 additions to the church—18 for baptism.—Miss Thelma Pilkenton, of Corbin, was here with friends a few days last week.—Mr. and Mrs. J. R. Cass, and son, Willie Cass, were in Louisville one day last week shopping.—Miss Nannie Bryant, of Corbin, was a recent visitor of Miss Anna Belle Smith in the Hiatt section.—Miss Ella Belle Newland spent last Thursday and Friday in Danville the guest of Miss Ella Dunn.—J. B. Frith was in Louisville last week on business.—Our good friend, Jas. Maret, of Winchester, stopped a few minutes here Saturday on his way to Mt. Vernon. Mr. Maret is always a welcome visitor to our town.—T. Painter was here from Stanford Wed-

nesday—Roy Sowder and Watt Riggsby came home the first of the week, having been discharged from Military Service. Both arrived Sunday from overseas.—Brodhead is soon to have a 20-piece band and it won't be long until it is making music, in fact one can now hear strange and weird sounds in every part of town. Prof. Leo C. Wright, of the Kentucky Band School, Louisville, has been here a great part of the time for several weeks completing the organization and instructing the new beginners. We understand he will be succeeded as leader in the near future by Prof. Frederick Smith, who has been at the head of a band at Palm Beach, Fla., for the past winter, and who is a graduate of the London Conservatory of music. We are mighty glad that we will soon have a good band and as Brodhead is never second we feel sure that soon the boys will be making beautiful music.—The Commencement exercises of Brodhead Graded and High School will begin Saturday evening at 8:30 o'clock, when "Hicks at College" will be presented. A small admission of 10 and 20 cents will be charged; Sunday at 11:00 o'clock the commencement sermon will be preached by the Rev. O. P. Bush, of Georgetown, Ky.; Monday evening at 8:30 will begin the graduating exercises of the eighth grade pupils; on Tuesday evening a well arranged program will be carried out by the Primary pupils; on Wednesday evening "Standing By" will be presented by the High School pupils, admission will be 15 and 25 cents; on Thursday evening be carried out the "Class Day Program" and on Friday evening the Graduating exercises will take place. This closes a very successful school and had there been no breaks on account of the flu it would have been one of the most successful schools ever held here. We understand that the present faculty have been employed for the next term and we are sure this will meet with the hearty approval of every patron in the district. The public is cordially invited to attend the closing exercises.

DO YOUR BEST.

Everyone should do all he can to provide for his family and in order to do this he must keep his physical system in the best condition possible. No one can reasonably hope to do much when he is half sick a good share of the time. If you are constipated, bilious or troubled with indigestion get a package of Chamberlain's Tablets and follow the plain printed directions, and you will soon be feeling alright and able to do a day's work.

Children Cry for Fletcher's

CASTORIA

The Kind You Have Always Bought, and which has been in use for over thirty years, has borne the signature of Dr. J. C. Fletcher and has been made under his personal supervision since its infancy. Allow no one to deceive you in this. All Counterfeits, Imitations and "Just-as-good" are but experiments that trifle with and endanger the health of Infants and Children—Experience against Experiment.

What is CASTORIA

Castoria is a harmless substitute for Castor Oil, Paregoric, Drops and Soothing Syrups. It is pleasant. It contains neither Opium, Morphine nor other narcotic substance. Its age is its guarantee. For more than thirty years it has been in constant use for the relief of Constipation, Flatulency, Wind Colic and Diarrhoea; allaying Feverishness arising therefrom, and by regulating the Stomach and Bowels, aids the assimilation of Food; giving healthy and natural sleep. The Children's Panacea—The Mother's Friend.
